#### **Common Cents Dallas gives \$25,000 in grants**

Twenty district schools participated in the annual Common Cents Dallas “Pennies from the Heart” campaign.

Students collected pennies to give to their choice of local nonprofits. At a recent Common Cents Awards ceremony, almost \$25,000 in grants were awarded to 23 nonprofits at the Communities Foundation of Texas.

The event included presenting the Louise Gartner Scholarship to six students: Princilla Anoku and Daniela Cedillo from Preston Hollow Elementary; Dela Resia Duncan from Maple Lawn Elementary; Trenitee Wesley and Craig Rosenbower III from Spence TAG Academy; and Tallyah Washington from Long Middle School.

Since 1988, students have raised and donated more than \$800,000 through the Common Cents Dallas program. To learn more, visit [commoncentsdallas.org](http://commoncentsdallas.org).
